

Research Participants Wanted

✦ Earn \$100 to participate in a study interested in the **thermal comfort** of older adults and the associated energy consumption in buildings.

Participation involves

1. Completing a short survey and taking non-invasive measurements of your response from the palm of your hand
2. Spending 4 hours in an apartment-like laboratory at the University of Arizona Health Sciences campus
3. No coffee before the test

If you are **65 years-old or older**, **not color-blind**, and **can walk without assistance**, and **interested** in participating, email qiyuchen@arizona.edu with a subject **“To join the thermal comfort study”** or scan the **QR code** below see if you are eligible to participate.

 THE UNIVERSITY
OF ARIZONA

An Institutional Review Board responsible for human subjects research at The University of Arizona reviewed this research project and found it to be acceptable, according to applicable state and federal regulations and University policies designed to protect the rights and welfare of participants in research.
